

Safety Data Sheet

Date.May 15,2015

1. PRODUCT AND COMPANY IDENTIFICATION

Product Name	FlushPod
Company	EIKOSHA CO.,LTD.
Address	7-1 Kitainoue-Cho Higashino Yamashina-ku Kyoto 607-8141 JAPAN
Telephone No.	075-591-1008
Emergency phone No.	075-591-1008
Recommended use and restrictions on use	Toilet cleaning agents

2.HAZARDS IDENTIFICATION

GHS Hazard Classifications	
PHYSICAL HAZARDS	Non-hazardous materials
HEALTH HAZARDS	
Acute Toxicity Oral	Not classified
Germ-cell mutagenicity	Not classified

※ [Classification not possible] or [Not Classification] is the Hazards Category which is NOT written on the above.

Hazard Pictograms	Not applicable
Signal Word	Not applicable
Hazard statement	Not applicable
Precautionary statements	Please read SDS before use Wash hands thoroughly after handling If in eyes:Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If on skin:Wash with soap and water. Call a doctor if you feel unwell Store in a cool, dry location.

※Under normal usage for intended purpose (FlushPod) is safe

3. COMPOSITION / INFORMATION OF INGREDIENTS

Substance / Mixture	Mixture
Ingredients and composition	Harmful ingredients are not contained

4. FIRST-AID MEASURES

Inhalation	Remove victim to fresh air and keep at rest in a position comfortable for breathing As needed , Get medical advice/attention
If On Skin	Wash with soap and water As needed , Get medical advice/attention

5. FIRE-FIGHTING MEASURES

Extinguishing media	Powder, alcohol-l-resistant foam,sand,carbon dioxide,water jet
Prohibited media	No information
Specific hazards with regard to fire-fighting	No information
Specific method of fire-fighting	Shut off the combustion source to origin of a fire Extinguish with fire-fighting media Fighters should work from the windward side Extinguish the fire using fire-fighting media
Protective measures in fire	Firefighters should wear proper protective equipment

6. ACCIDENTAL RELEASE MEASURES

Personal precautions	During manufacturing wear protective equipment and ventilation as necessary.
Environmental precautions	To minimize impact to the environment, keep released or spilled product from entering sewers, storm drains, and other natural water ways. Notify relevant authorities according to local regulations
Method and materials for containment and cleaning up	
Prevention of secondary hazards	Keep away all ignition sources and prepare extinguishing media

7. HANDLING AND STORAGE

※Under normal usage for intended purpose (FlushPod) is safe

Handling	
Technical measures	Provide eye and body washing equipment close to where the products will be manufactured
Precautions for safe handling	Provide local exhaust ventilation where product is manufactured Wear proper protective equipment to avoid exposure where manufactured Wash hands thoroughly after handling
Storage	
Storage conditions	Keep containers tightly closed and store in a cool dark location
Safety packing materials	Original package is recommended

8. EXPOSURE CONTROL / PERSONAL PROTECTION

Administrative Exposure Limit	Not determined
Occupational Exposure Limit	Not determined
Manufacturing facility control	Should be established the local exhaust ventilation in the indoor working area where vapor or mist occurs Provide eye and body washing facilities close to where the products will be manufactured and handled
Sanitation control	Wash hands and gargle thoroughly after handling

9. PHYSICAL AND CHEMICAL PROPERTIES

Shape	Solid
Color	Colorless
Odour	Special odour
ph	6-8(1% water diluted solution)
Boiling point	No information
Melting point	No information
Decomposition temperature	No information
Flash point	No information
Range of explosion	No information
Vapor pressure	No information
Vapor density(air=1)	No information
Solubility	No information
Aqueous solubility	Soluble
Solvent solubility	No information
Octanol/water partition coefficient	No information
Autoignition temperature	No information
Odour threshold	No information
Evaporation rate(Butyl acetate=1)	No information
Flammability	No information
Viscosity	No information

10. STABILITY AND REACTIVITY

Stability	Stable under normal condition
Reactivity	No autoreactivity
Contamination hazardous substance	Reacts with strong oxidizing compound or hydrogen fluoride, So there is a danger of fire and explosion

11. TOXICOLOGICAL INFORMATION

Please refer NO.2 HAZARDS IDENTIFICATION

12. ECOLOGICAL INFORMATION

Under normal use condition, The microbe of household wastewater treatment tank and publicly owned treatment works is not affected. It does not affect sewage cleaning ability.

13. DISPOSAL CONSIDERATION

Disposal must be made according to regulations in your country or region

14. TRANSPORT INFORMATION

International and Domestic restriction	
Rail and road transportation information	Follow the mode of transportation as provided in the Fire service law, Industrial safety and health law
Marine transportation information	Follow the mode of transportation as provided in the vessel safety law
Aviation transportation information	Follow the mode of transportation as provided in the aviation law
International regulation	Follow the IATA(aviation) and IMDG(Marine)
Specific precautionary transport	Check the container without breakage , leakage The cargo should be protected from collapsing

15. REGULATORY INFORMATION

Domestic laws	
Chemical Substances Control Act	
Specific Chemical Substances	Not applicable
Monitoring Chemical Substances	Not applicable
Fire service law	
Hazardous material	Not applicable
	Designated as Flammables (combustible solids)(specified amount 3,000kg)
Industrial safety and health law	
Hazardous material	Not applicable
Indication	Not applicable
Regulations	Not applicable
Specialization Rule	Not applicable
Notifiable Substances	Not applicable
Poisons and Deleterious Substances	Not applicable
Control Law	
Pollutant Release and Transfer Register (PRTR)	Not applicable

16. OTHER INFORMATION

The information contained herein is based on data believed to be accurate as far as the data we had on hand when this sheet was prepared. However, no warranty or guarantee is given regarding the contents of this Safety Data Sheet, or the physical and chemical properties of this product, or any hazards or harm to property or individuals that may result from using it.

All remarks and precautions are premised on ordinary handling and it is the user's responsibility to use the product correctly for its intended purposes. We assume no responsibility for any damages or injury resulting from intentional misuse of this product.
